# Colour views from Negatives by E Charman

Where possible and time permitting, each month in addition to the page of 28 B&W views, we aim to provide twelve colour views. These will be from one photographer source, with a whole order 40 prints.

We continue with Ernest Charman's views again looking out oldest views to hand or of particular interest.

Newsletter prints are still just 50p, whereas those now to reach our online store, are at 60p, with some after Newsletter 12 month expiry maybe reaching the stall boxes. With few events throughout the year, why wait.
