NEWSLETTER 75p

Southdown = 18, NBC = 4, BH&D = 5, Brighton Corporation = 13

Primarily we have picked out views taken by Jack Turley this month, 17 in
B&W and the 12 in colour taken direct from his slides.

To top up the B&W views, another nine from Barrie Hutson, with some
older square negatives to follow next month. Our aim is to use material
we own directly rather than those on loan. Looking to bring to print all
those as yet untouched from Jim Jones, John Piggott and as time moves
on a return to more of Ernie Charman, Derek Monk, all views within
Sussex operators from our earliest of 1938 up until the mid eighties which
we class as historic images and modern thereafter, not included here.

24th Edition

12 Colour Views from slides

Our Colour views are given a two character reference to denote whose collection they derive from, see the data sheet on pages 4 & 5.
