## NEWSLETTER

Selections this month

**BH&D = 19, Brighton Corporation = 8, Southdown related = 11**

Continued publicity for our Newsletter brings new subscribers, so a welcome to those making selections from our ongoing library.

A gentle reminder that we only offer prints taken from our own genuine negatives purchased or donated over preceding years and the current loan of material from Barrie Hutson.

Recently two more presentations have been given on Pre-BR Steam Locomotives, with 120 of these already made available in print form.

B&W views this month, include 14 views by Jim Jones, 14 from the 22 offered from Barrie Hutson dated 1965-1968, followed by another batch of 12 colour views from Mr Charman, taken between 1970 & 1978.

Although not an approval circuit, orders are sent on a Pre-Paid Basis, however returns accepted if any are found not to your satisfaction & credited. Just one image two issues ago, although of great interest was just too poor on print, after three scanning attempts. Credited this month.

18th Edition

Continued...

We would welcome queries or comments of further information either missing or as additional data, in addition any questions relating to the source or format of our material used in our Newsletters.

From now on the original photographers name will be highlighted in the centre page data sheet, which is a cut down version as space is limited. Other than those photo circuits that are using just their own prints, many just do not mark or credit the prints as to who the original photographer was, which is where our reverse labels are somewhat unique to our knowledge, giving as much data as is available at the time of printing.

A reminder & to new subscribers, that once the general newsletter is a year old, any possible remaining prints from that issue are offered to the general collector from our event stand. No further reprinting will be made at 6x4 print size at the current base price. Once sold out, specific requests will attain a higher cost. Before this 12 month cut off date, we will reprint as many times as is found necessary through orders via this our monthly Newsletter.

# Colour views from Negatives by E Charman

# This Months 28 B&W Selections

BW references are from the B&W Dinnages mixed photographer library.  
BH references relate to the Barrie Hutson collection. See the back page

Up to twelve colour views will be made per month, filling the space on the order form. A total of 40 images is ample to offer across a variety of at least three photographers collections.

Ernest Charman's views this month cover that period just after amalgamation with Southdown, before everything turned NBC Green. We are always interested in identical images by Mr Charman in exchange.

**To avoid any confusion, ALL our 6x4 prints are at the same price of 50 pence, whether colour or B&W. Only the 9x6 are at the higher price. Please use the current form on this Newsletter or download one from our web page.**
