NEWSLETTER

40th Sussex Edition = November 2012

Publishing in our fourth year of Newsletter

Delighted this month to be offering more views from Peter Johnson after a trial eight Sussex views last August. Initially after discussions late Summer 2011 we also used four in a Kent edition, with a full compliment of them this month. We hope to offer more over time, also offering operators from Hampshire and Kent too on the stall. We continue with colour slides by John Piggott for three more issues covering Brighton & Southdown. Something unusual is a Hovercraft at Brighton beach by Jim Jones. The current 12 issues, all newsletter prints are just 50p, stall prices until Feb/2013 at 60p, compared with similar libraries cost 80p +!

Ordering from Newsletter

Our successful SUSSEX editions of newsletter have been composed every month since April 2009, taking previous months orders up to the 5th for a guaranteed dispatch before the next issue, monthly despatch is anytime after the 10th as time allows of the next month including a new issue for every print order. All orders for single issues or a maximum of 3-months will be honoured, late orders may miss the month post run. Print orders over 3 months worth, do risk missing out on current print run quantities. Prints from expired editions are subject to stock remaining with no guarantee of a future reprint, where a credit note is always given instead against future orders, also on any returns.

For the foreseeable future, ordering prints from any of the current twelve Newsletters, prices will remain at 50p. Once an issue is 'expired' prints may be ordered but at the higher rate by order form, or at our stall. This higher price reflects additional costs incurred attending events, and time to sift through many boxes for the older issues. We welcome any new enquiry, however we do have the right to refuse sales. Ask first before using images in books & other publications, & those that infringe by selling copies will certainly regret it.
