## October 2010 NEWSLETTER

Selections this month

BH&D = 7, Brighton Corporation = 3, Southdown = 18, NBC = 14

Last months Trolleybuses were a hit, aided by the wealth of publicity from a variety of publications. In particular our thanks to Brighton & Hove Infolink, East Sussex Omnibus Society, and the Saturday Argus.

B&W views this month, include 14 views between 1961 & 1964 from Barrie Hutson, followed by our own library selections all from Southdown taken between 1950 & 1960, just one in 1974. Twelve of these by John Roberts, otherwise E Charman and D Monk.

Another round of colour views from Mr Charman, taken just as they come from the envelopes when originally purchased, rather than searching for particular images. The Newsletter does take some time to produce so a mix of views each month is our aim.

Not an approval circuit, photos are sent on a Pre-Paid Basis, however returns accepted if any are found not to your satisfaction & credited.
