# Ordering from Newsletter

Our successful SUSSEX editions of newsletter have been composed towards the end of every month since April 2009, taking previous months orders up to the 5th for a guaranteed dispatch before the next issue, monthly despatch is anytime after the 7th as time allows of the next month including a new issue for every print order. All orders for single issues or a maximum of 3-months will be honoured, late orders may miss the month post run. Print orders over 3 months worth, do risk missing out on current print run quantities. Prints from expired editions are subject to stock remaining with no guarantee of a future reprint, where a credit note is given instead against future orders.

For the foreseeable future, ordering prints from any of the current twelve Newsletters, prices will remain at 50p. Once an issue is 'expired' prints may be ordered but at 60pence by order form, or at our stall. This higher price reflects additional costs incurred attending events, and time to sift through many boxes for the older issues. We welcome any new enquiry, however we do have the right to refuse sales. Ask first before using images in books & other publications !
