Summer 2011

NEWSLETTER 75p

Southdown = 13, BH&D = 10, Brighton Corporation = 14

Another Summer issue, where we combine June & July this month.

12 Colour slides continue from the Jack Turley collection with the B&W
another early batch of 14 from Barrie Hutson before giving his views a
rest for a while 8 by Mr Charman, 4 John Roberts, one each G. Gangloff
and J. Turley giving five different photographers views.

Some of our views as stated before may have been published/printed
back in the early nineties, while others have only just been made
available for the first time, in 6x4 via a digital scan of the original material.
For a change, we have included a few independent operators this time.

25th Edition

12 Colour Views from slides

Our Colour views are given a two character reference to denote whose collection they derive from, see the data sheet on pages 4 & 5.
